If we keep with this meeting I am only available for the first half hour. We may want to keep it just to check signals and last minute details on the following day's briefings for Dennis and Ken.

Hi Christine,

See email below. Am I correct that we still want to hold the CZARA managers meeting with technical and legal teams this week?

Jayne,

Do you think this one will be happening this week (at this day and time)?

This is one of the recurring ones so I don't know whether this week is going to be different with the two briefings on Thursday.

Thanks,

Steve
